

WHAT TO DO?

Dover beach

One of the best things about Dover is its impressive harbor. Fish and chips and an ice cream for after!

Dover castle.

Standing over Dover on top of the White Cliffs, Dover castle is one of the most imposing in the UK. Regularly in the top 10 of UK attractions.

Canterbury.

One of the most historic cities in the UK, Canterbury is steeped in history. With its outstanding cathedral, the Canterbury tales, the one of shops and excellent transport links, Canterbury is a must see!

Deal penny machines.

One of my favorite places to take my kids! A really nice little amusement arcade that wont cost the earth.

Folkestone- sandy park .

Situated underneath the cliffs in Folkestone is a sandy park made for children in mind. There is plenty of space to maneuver yourself and a lot of activities to do!

Kearnsey Abby

A beautiful and well maintained park situated just two miles from the beach. Feed the ducks or have an ice cream!
